Each 5 ml syrup contains— Vitamin A (Beta Carotene) BP 425 IU Vitamin A (Retinol Palmitate) BP 425 IU Vitamin C (Ascorbic Acid) BP 67.5 mg Vitamin D3 (Cholecalciferol) BP 137.5 IU Vitamin E (O-Alpha-Tocopherol Acetate) BP 1011.1 Vitamin B₁ (Thiamine HCl) BP 1 mg Riboflavin Sodium 5-phosphate BP 1 mg Vitamin B₁₂ (Cyanocobalamin) BP 0.003 mg Biotin BP 0.0325 mg Pantothenic Acid (D.pantothenol) BP 3.5 mg Calcium (Calcium Lactate) BP 27.5 mg Iodine (Potassium Iodide) BP 0.0325 mg Magnesium (Magnesium Lactate) PhG 7.5 mg Zinc (Zinc Gluconate) USP 2.5 mg Selenium (Selenomlthionene) USP 0.0175 mg Manganese (Manganese Gluconate) USP 0.75 mg Chromium (Chromium Polynicotinate) PhG 0.0035 mg Potassium (Potassium Citrate) USP 7 mg PABA (Para Amino Benzoic Acid) PhG 0.5 mg Inositol PhG 10 mg Choline Bitartrate PhG 10 mg

Pharmacology:

Vitalgin Syrup provides the optimal dosage of nine vitamins and eight minerals with trace elements for infants and children of all ages. The spectrum of essential nutrients supports healthy development, Strong immune function and emotional and mental vitality. Research shows that one of the fundamental reasons for the decline in children's health and immunity is the decline in the nutritional content and value of their diet. Supplementing a child's diet is the only way to ensure that all nutritional needs are fulfilled. Vltalgn`provides the optimal dosage of the essential vitamins and minerals with trace elements for infants and children of all ages. The great taste makes taking supplements an easy part of a child's daily routine.
